Stage Makeup Practice

Using colored pencils, apply “makeup” on this figure for one of the following character types:

Cat, Hare or Rabbit, a Fairy to represent one of the seasons, a clown, or a devil. (Your teacher may offer some additional suggestions.) Cover the entire face, but some of the coverage may be “skin toned” rather than a character color. Use the margins for notes and to indicate glitter, wigs, prosthetics, wax, fake eyelashes, and so on.
